

SPORT RIDGE®

Premium Precision Sight-In Targets remove the frustration of dialing in your firearm's optic by aiding you in direction and the proper amount of click adjust from shot group to shot group. No more guesswork at matching your optic's adjustment value, saving your ammunition and time spent sighting-in firearms.

PRECISION SIGHT-IN TARGETS

100 YARD SIGHT-IN TARGET PRECISION RIFLE - MOA & MIL

Match up any optic's click value to one of the two sides. Click adjustment grid is calibrated for a 100-yard sight-in range.

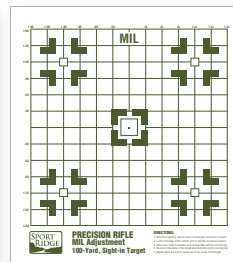

SIDE 1

Standard MOA with grid feedback in click amount and direction.

- Optic click value: 1/8 & 1/4
- Four side aiming boxes
- Premium, durable paper

03730 8 pack
03731 25 pack

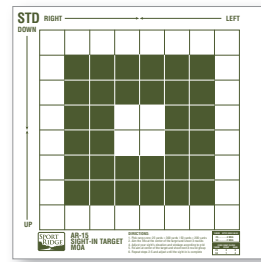

SIDE 2

MIL with grid feedback in click amount and direction.

- Optic click value: 0.1
- Four side aiming boxes
- Premium, durable paper

25/50 YARD AR15 SIGHT-IN TARGET

25-yard sight-in equals 300 yards, 50-yard sight-in equals 200 yards. Great for indoor or outdoor range use. Perfect for all types of optics for the AR15. Printed on Premium Durable Paper.

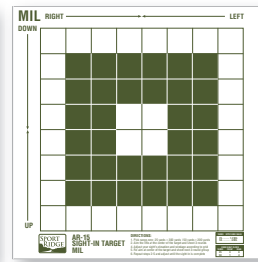

SIDE 1

Standard MOA with grid feedback in click amount and direction.

- Optic click value: 1/8, 1/4
- 25/50-yard MOA click value chart
- Fixed/Flip up sight click chart

03710 10 pack
03711 25 pack

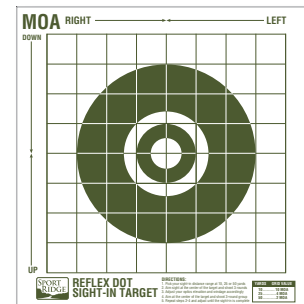

SIDE 2

MIL with grid feedback in click amount and direction.

- Optic click value: 0.1
- 25/50-yard MIL click value chart
- Fixed/Flip up sight click chart

REFLEX DOT SIGHT-IN TARGET

Quickly sight-in pistols, AR15's or shotguns with any reflex, electric dot, or holographic optic. The graphic rings are sized to aid you in a high-quality sight picture for precise placement of each shot taken. Printed on Premium Durable Paper.

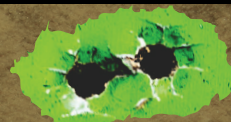

- Sight-in distances of 10, 25, and 50 Yards
- Table of distance MOA optic click values
- Grid adjustment in direction Up/Down, Left/Right

03714 10 pack
03715 25 pack

REACTIVE TARGETS

Reactive targets have a peel and stick self-adhesive backing. Great for all calibers of firearms and distances. A nuclear green bullet hole appears for you to see each shot in the black. See your hits at short and extended ranges.

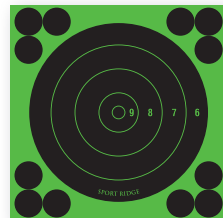

Nuclear Green

5.5" BULLSEYE SELF-ADHESIVE, REACTIVE

- Nuclear Green Bullet Print
- 12 Repair Pastes per target
- Scoring Rings

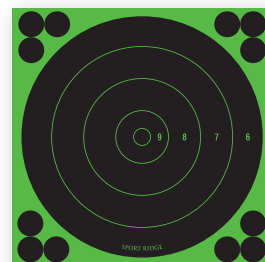

03750 12 pack
03751 60 pack

8" BULLSEYE SELF-ADHESIVE, REACTIVE

- Nuclear Green Bullet Print
- 12 Repair Pastes per target
- Scoring Rings

03760 6 pack
03761 60 pack

12.5X18.5" OVAL BULLSEYE SELF-ADHESIVE, REACTIVE

- Nuclear Green Bullet Print
- 12 Repair Pastes per target
- Scoring Rings

03790 5 pack

SPORT RIDGE®

DELIVERING RUGGED PERFORMANCE

SPORT RIDGE® Heavy Duty Bi-Pods connect to standard swivel studs, fully adjustable legs lock in the extended position quickly. Micro adjustments are made by utilizing the tension wheels, allowing the shooter to shoot at any height. Heavy-Duty springs ensure fast and robust deployment of the legs both in the forward storage position or extended for steady, precise shooting.

Extensive engineering, precision machined materials, along with Heavy-Duty springs drive consistent extension or retraction for fast and dependable use. SPORT RIDGE® products offer our "Peace of Mind" warranty...we have your back!

SPORT RIDGE®

Sport Ridge® gun cleaning products are designed with precision, organization, and ease of use in mind. The custom cased cleaning kits keep all your cleaning components nicely organized and ready for use. We offer cleaning kits for all three categories of firearms: handguns, rifles & shotguns. Each cleaning kit includes tools and caliber-specific brushes, mops, and patches.

SPORT RIDGE®

SPORT RIDGE® products are designed for shooters that demand "Rugged Performance" while in the field. Special attention to dependable function, reliability and quality will exceed expectation.

HARD CASE CLEANING KITS

FIREARM CARE

17-PIECE AR FIELD CLEANING KITS

These custom cased cleaning kits are designed for cleaning M4/M16/AR15 and AR10 Rifles. The custom case fits well in a pack or range bag. It offers a pull through coated cable/rod system with rifle brush, rifle mop, slotted patch tip, double ended utility brush, double ended metal pick/scraper, 1/4 punch pin, 25 cleaning patches and six-piece utility bit set. The convenient multi-function handle works with chamber rod, pull through cable, and utility bit set.

03965 - 5.56/.223 CAL
03966 - 7.62/.308 CAL

14-PIECE PISTOL FIELD CLEANING KITS

These custom cased pistol cleaning kits are designed for cleaning a variety of pistols. The custom case fits well in a pack or range bag. Includes two brass rods, one pistol brush, one pistol mop, one slot tip, one pistol brass jag, 25 cleaning patches, one multi-function handle which converts to a driver for the six-piece utility bit set that contains two flat blades, two phillips, one star and one hex bit.

03962 - .40 CAL/10MM
03963 - .357/38SPL/9MM
03964 - .45 CAL

12-PIECE RIFLE FIELD CLEANING KITS

These custom cased rifle cleaning kits are designed for cleaning .22 or .30 caliber rifles. The custom case fits well in a pack or range bag. Kit contains a multi-function handle that can be used as a handle for the pull-through cable, bit driver, and cleaning rod. Other contents include: 33" pull-through cable, one bore brush, one mop, one slot tip, 25 cleaning patches, six-piece utility bit set with two phillips, two flat heads, one star and one hex.

0396722 - .22 CAL
0396730 - .30 CAL

13-PIECE SHOTGUN FIELD CLEANING KIT

These custom cased cleaning kits are designed for cleaning 12 gauge shotguns. The custom case fits well in a pack or range bag. Kit contains a multi-function handle that can be used as a handle for the pull-through cable, bit driver, and cleaning rod, 33" pull cable, one 12 gauge brush, one 12 gauge mop, one 12 gauge slot tip, one brush adaptor, 25 cleaning patches, six-piece utility bit set with two phillips, two flat heads, one star and one hex.

0396812 - 12 GAUGE

21-PIECE UNIVERSAL AR CLEANING KITS

Unique cleaning parts are:

- 33" Pull-through Cable
- 2 AR Chamber Brushes
- Double-end Pick/Scraper
- 2 Slotted Patch Loops
- 1/4" Nylon Punch Pin
- 2 Bore Brushes & Mops
- 2 Bore Brass Rods

0396851 - .22CAL/5.56MM, .30 CAL/7.62MM

21-PIECE UNIVERSAL PISTOL CLEANING KIT

Unique cleaning parts are:

- 3 Caliber Bore Brushes, Cotton Mops and Brass Jags
- 10" Pull-through Cable
- 1 Brass Patch Loop
- 1 Brass Rod

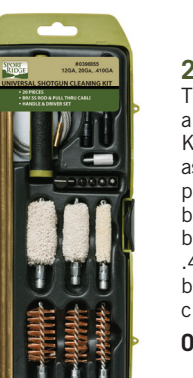

0396840 - .357 CAL/9MM, 40SW CAL/10MM, .45 CAL

25-PIECE UNIVERSAL RIFLE CLEANING KIT

The 25-Piece Universal Rifle Cleaning Kit has everything you need to maintain common tactical and sporting rifle calibers. This custom cased kit keeps cleaning components organized and easily identified. Kit contains a multi-function handle that can be used as a handle for the pull-through cable, bit driver, 3 premium quality brass cleaning rods, bore brushes and mops to clean .22 CAL/.243 CAL/6MM/.270 CAL/.280 CAL/7MM and .30 CAL. The six-piece utility bit set includes two flat blades, 2 phillips, one star bit, one hex bit, four brass jags and 25 cleaning patches.

0396850 - 25-Piece Universal Rifle Cleaning Kit

20-PIECE UNIVERSAL SHOTGUN CLEANING KIT

The 20-Piece Universal Shotgun Cleaning Kit offers a nice cleaning solution for common shotgun gauges. Kit contains a multi-function handle that can be used as a handle for the pull-through cable, bit driver, 3 premium quality brass cleaning rods, six-piece utility bit set, thread adapter for the cleaning rods, bore brushes and mops to clean 12 gauge, 20 gauge, and .410.
