Tac Grip™ Non-Slip Padding

PRS Tac Grip™ Sling T6125BK or CY

Tac Shield introduces the Precision Rifle Hunting Sling. Design compliments Bolt Precision Rifles and MSR Precision Rifles. Laser cut Mil-Spec laminate is blended with padded non-slip Tac Grip material offering enhanced durability and comfort when carrying your long-range rifle.

The fast adjust slider pull supports quick transition from shoulder to shooting. Top quality US Made Sling Swivels are included and offer enhanced value.

- Laser Cut laminated 500/1000D Cordura for durability and light weight.
- Tac Grip™ Non-Slip Pad grabs your shoulder, keeping rifle in place.
- Fast Adjust slider pull quickly adjusts from shoulder to shooting.
- Made by Proud Americans™ w/ top quality USA Swivels offer a great value.

PRS HANDS-FREE Tac Grip™ Sling T6130 BK or CY

Tac Shield introduces the Hands-Free Precision Rifle Hunting Sling. Design offers the new PRS Tac Grip™ sling benefits along with a pull over hands-free body strap. Laser cut Mil-Spec laminate is blended with padded non-slip Tac Grip material offering enhanced durability and comfort while carrying your long-range rifle. The fast adjust slider pull supports quick transition from shoulder to shooting.

The Hands-Free elastic body strap can be pulled over your head or shoulder for secure carry while hiking and climbing in the field. The quick release buckle provides smooth transition to shooting.

- Laser Cut laminated 500/1000D Cordura for durability and light weight.
- Tac Grip™ non-slip pad grabs your shoulder, keeping rifle in place.
- Hands-Free Security Strap quickly pulls over head for double shoulder carry.
- Quick release buckle supports smooth transition to the shooting position.
- Fast Adjust Thumb Loop tightens for carry comfort or shooting action.
- Made by Proud Americans™ with top quality USA Swivels offer a great value.

2024 New Products
